

SEMINARS & MEETINGS

Close to home but far from ordinary ...

... that is the Marina Lachen seminar hotel. Marina Lachen is located at the southernmost point of Lake Zurich. Lachen harbour is famous for its spectacular sunsets and award-winning facilities, surrounded by our two restaurants, a bar-lounge, the 4*-hotel and event facilities. It is a unique location and starting point for your successful seminar or meeting. But there

is more to the Marina Lachen's appeal than its diversity or location. You can look forward to the personal dedication of our employees, modern facilities and the sense of being far from everyday life, even though you are just 20 minutes by car from the business capital of Zurich. Marina Lachen will inspire you and your participants in every way!

Combining the important with enjoyment

At Marina Lachen, food is always part of the experience ... You can choose from two different restaurants, so why not combine them during your stay? Offer your participants culinary diversity and bring variety into the programme: Italian/Mediterranean dishes in the restaurant „Osteria Vista“ and meat & seafood from the open charcoal grill in „The Steakhouse“. Our packages are based on your choice of restaurant, leaving you plenty of room for individuality. We will be happy to help you plan and organise your event!
